Hope you don't mind  
but I changed my point of view  
'Cos now I've found someone new  
I thought that you knew that I need time to think  
so I can see my way clear

Hope you don't mind  
'cos I got it all confused  
Don't think that you've been used  
It's just today that I don't feel so sure  
of wanting more

For what it's worth I'm sorry  
For what it's worth I still can see the light of day  
I still wake up in the night  
Don't know if I'm wrong are you right

For what it's worth I'm sorry  
For what it's worth I never meant to lead you on  
And if I'm wrong I'm sorry  
Maybe it was meant to be this way

Hope you don't mind  
but I got no confidence  
Forever now don't make no sense  
I'd try again but it would be pretend  
So it's the end
