The road is long with many a winding turn  
That lead us to who knows where,  
But I'm strong, strong enough to carry him  
He ain't heavy, he's my brother.

So on we go  
His welfare is my concern,  
No burden is he to bear,  
We'll get there.

For I know he would not encumber me  
He ain't heavy, he's my brother

If I'm laden at all,  
I am laden with sadness that  
Everyone's heart isn't filled with the gladness  
Of Love for one another

It's a long long road  
From which there is no return  
While we're on our way to there why not share

And the load doesn't weigh me down at all  
He ain't heavy , he's my brother.

He ain't heavy  
He's my brother
