And ev'rytime I get to thinking with ev'ry thought of you  
I want to shout aloud  
and then I think about the love  
I had inside me and how you brought what's inside out.  
So now love's made it to the outside  
I want to tell the world of ev'rything I've found  
somehow your love released a spring wound up inside  
me  
you turned my living upside down;

And I can't tell the bottom from the top

am I standing on my head or on my heels ?  
Is it cloudy  
is it bright ?  
Is it day or is it night ?  
Am I wrong or am I right and is it real ?

Tell me where you learned the magic  
the spell you used the day you made me fall

baby now I know that love is no illusion  
I'm upside down  
but ten feet tall.

And I can't tell the bottom from the top

am I standing on my head or on my heels ?  
Is it cloudy  
is it bright ?  
Is it day or is it night ?  
Am I wrong or am I right and is it real ?

On and on I drifted with the tide  
I didn't know that love could move me so

you filled my life with love and much more besides  
and you showed me which way to go;

And I can't tell the bottom from the top

am I standing on my head or on my heels ?  
Is it cloudy  
is it bright ?  
Is it day or is it night ?  
Am I wrong or am I right and is it real ?
