I had a dream  
You were so near to me  
but when I woke you were gone  
when I woke you were gone

Thinking of you  
being so far away  
I guess I got memories  
guess I got memories

When I am alone I feel your golden hair  
Skyline of silver-blue  
Trying to find words to pacify  
my feelings of loneliness for you

(repeat)

I had a dream  
You are so near to me  
but when I wake you are gone  
when I wake you are gone  
when I wake you are gone
