Another day gone and I think of you
Wonder where you're going
Wonder what you do
without me

A telephone call from a friend I know
left me feeling bitter
left me feeling so unhappy

'Cos if you couldn't wait for 24 hours
what good would telegrams and flowers do

If it wasn't for the reason
that I love you baby
I wouldn't have another thing
to say to you

Might as well stay
for a day or two
Find another friend
and have a drink or two
to pass the time

Talking over troubles
in a whiskey daze
a little drop of cognac
helps a man to face the lonely times

'Cause it's sad being home
and I've given up trying
I've got no lyin'
that I wanna do

chorus

Wish I could find a way
Make up the words to say
You cheated and you lied
You took away the little pride
I had inside
