"Nobody"

Visit "[Nobody](#)" on MotoLyrics.com

I don't have nobody
I don't need nobody
I don't want nobody
to fall in love with me
to fall in love with me

And I'm telling you
I'm here on my own-some
Everyday I get more lonesome
But I don't want nobody
to fall in love with me
to fall in love with me

I'm just telling you girl
I don't want you hanging round
I'm just telling you girl
You gotta stop at putting me down

verse 1

to fall in love with me
to fall in love with me
