# "Purple Rain"

Never meant to cause you any sorrow  
Never meant to cause you any pain  
I just wanted to one time see you laughin'  
Only wanted to see you laughin' in the purple rain

Purple rain purple rain  
Purple rain purple rain  
Purple rain purple rain  
Only wanted to see you laughing in the purple rain

I never meant to be your weekend lover  
Only wanted to be some kind of friend  
Darlin' I could never leave you for another  
Such a shame our friendship had to end

chorus x 4

Purple Rain x 4

Only wanted to see you laughing in the purple rain
