It's been such a long time  
since I had words with you  
Tell me what you've been doing  
Tell me baby what's new

I've been hanging 'round with our old friends  
Getting a line on what's happening with your game  
They all know something about you  
but their stories all are the same

Look out girl You're gonna get caught ooh  
Getting caught means I'm gonna lose you  
Get on the right track  
Then I'll have you back

Second hand hangups don't get me down  
This ain't my first time around  
I'm not disillusioned  
I'm a member of the union  
membership paid done my dues

chorus

verse 1

Tell me baby what's new
