Three o'clock in the morning
I got a pain in my heart
Lying awake I see you
just a shadow in the dark
Why do I fall in love with a girl like you

Stand by me and give me all your lovin'
Stand by me and give me tenderness
Wanna hold ya wanna touch ya
Stand by me and give me all your lovin'
Stand by me and let the good times roll
I will never let you go
Just stand by me

Looking out at the streetlights
Can they show me the way
To your heart they lead me
Won't you come on back and stay
Why do I fall in love with a girl like you

Stand by me and give me all your lovin'
Stand by me and give me tenderness
Wanna hold ya wanna touch you
Stand by me and give me all your lovin'
Stand by me and let the good times roll
I will never let you go
Stand by me

Stand by me
Come on and stand by me

Why do I fall in love with a girl like you
Why do I fall in love with a girl like you

Stand by me and give me all your lovin'
Stand by me and give me tenderness
Wanna hold ya wanna touch ya
Stand by me and give me all your lovin'
Stand by me and let the good times roll
I'm never gonna let you go
Stand by me
