Stormy waters, I can't find the harbour
Stormy water keeps me away
Stormy waters, I can't try any harder
And all I ask is to know
I'm near the bay

I did it again, I let another year roll away
So I pretend that I've got a reason to say
I'm closer to having you
I never should have strayed
I wish it could
Be easier
For me to end someday

Stormy waters, I can't find the harbour
Stormy water keeps me away
Stormy waters, I can't try any harder
And all I ask is to know
I'm near the bay

Whatever I did tell me would I do
The same again
If I could relive would it be the same in the end

'Cause everyday
Has a funny way
Of ending up so blue
I wish it could
Be easier
To get back with you

Stormy waters, I can't find the harbour
Stormy water keeps me away
Stormy waters, I can't try any harder
And all I ask is to know
I'm near the bay

Stormy waters, I can't find the harbour
Stormy water keeps me away
Stormy waters, I can't try any harder
And all I ask is to know

I'm near the bay
