Words that were spoken in the anger  
of youth only half truth.  
Touched by the chilbride  
while  
deep inside her lie real truth.  
He was the passion of the spring

he was the baby.

And half forgotten in the passing  
of time.  
The real crime brother and brother  
with backs to each other  
the war sign.  
and in the passion of the spring  
came the baby.

Come back  
mama  
mama sing him a song.  
Tell him all that was wrong

tell him all that you had that was bad.  
Tell him all that was good mama.  
You know that you should mama

remember the good mama.

And with the light that you show  
let him grow  
let him go  
let him go

let him go  
let him  
let him  
let him go.  
Words that were spoken in the anger  
of youth only half truth.

Touched by the chilbride

while  
deep inside her lie the real truth.  
He was the passion of spring

he was the baby.  
He was the passion of the spring

he was the baby.

And in the passion of the spring  
came the baby.  
And in the passion of the spring  
came the baby.

The baby yeah  
the baby yeah.
