Our love yeah yeah yeah
Is slowly going on the rocks now yeah yeah yeah
Tell me, tell me baby
Whatcha gonna do 'bout it
Whatcha gonna do 'bout it

Our love yeah yeah yeah
Is in double jeopardy yeah yeah yeah yeah
Show me, show me sugar-pie
Whatcha gonna do 'bout it
Whatcha gonna do 'bout it

You know I try to keep you satisfied
But you just won't comprehend
And if you keep on doin', doin' what you're doin'
You know our love will surely end

Don't you know that our love yeah yeah yeah
Is slowly going on the rocks now yeah yeah yeah yeah
Tell me, tell me baby
Whatcha gonna do 'bout it
Whatcha gonna do 'bout it

You know I try to keep you satisfied
But you just won't comprehend
And if you keep on doin', doin' what you're doin'
You know our love will surely end

Don't you know that our love yeah yeah yeah
Is slowly going on the rocks now yeah yeah yeah yeah
Tell me, tell me baby
Whatcha gonna do 'bout it
Whatcha gonna do 'bout it

Oh tell me, tell me baby,
Whatcha gonna do 'bout it
