If I see the light's on in your room,  
if I see the light's on, I call on you.  
It's a signal that he's gone  
So I'll call you when your light's turned on.

And I'll be happy to wait up until he goes.  
And I'll be happy to wait up until I know  
that the coast's clear, it's all right.  
So I'll call you when your light's turned on.

Everything you say about me gets right home.  
That's why I put up with you this way.  
Everything you say about me gets right home.  
I wish that he would go and I could stay.

that the coast's clear, it's all right.  
So I'll call you when you're light's turned on.

verse 3

Just for how long can our love go on like this?  
If you thought more about me, you'd end all this.  
But when your light's on, it's all right.  
So I'll call you when you're light's turned on
