### "Wings"

Love comes but once in a while  
Now that you're here I'm beginning to smile  
Why do they want us to walk when we can fly

Our love is burning inside  
Why is it something that we have to hide  
Why do they want us to walk when we can fly

We'll always feel the same  
If they break us up we'll only have ourselves to blame  
But we know they're playing games  
What affairs to show we can make it go

If they only had wings  
then they'd be sharing in all of our things  
Why do they want to walk when they can fly

What affairs to show we can make it go

chorus

Fly fly fly fly
