Can't take no more lies or cheating
I had took a long hard
Dragged out miserable life you see
Nothing means much to me

Stand up call out
Don't take nothing low down
It's much better
When you're making your own way
Your own say

Won't we feel good that morning
Going along our way together
Won't we feel good that day hey hey hey hey
Going along together
Taking our time in seeking our pleasure
Won't we feel good that day hey hey hey hey

Won't we feel good that morning
Going along our way
Won't we feel good that morning
Won't we feel good that day
Won't we feel good that morning
Won't we feel good that day

Stand up call out
Don't take nothing low down
It's much better
When you're making your own way
Your own say

Won't we feel good that morning
Going along our way together
Won't we feel good that day hey hey hey hey
Going along together
Taking our time in seeking our pleasure
Won't we feel good that day hey hey hey hey

Won't we feel good that morning
Going along our way together
Won't we feel good that day hey hey hey hey
