I'm gonna send my heart away
From here in cold moon light
I'm gonna turn myself in
Even though I've done no crime

What do you say? What do you say?
Do you think you can see it my way?
Because I want to

Now there's a hard part coming up
I hope you're feeling fine
It's the same thing every day
I say, yeah, it's alright

Let's run away, run away
Do you think you will be better some day?
Because I want to

There's a cloud hanging over
Every town I have been through
Feel the warm rays flowing out of me
And into you

Oh yes, I do, yes, I do
Yes, I do, yes, I do, yes, I do
Because I want to

A bunch of space junk
Fell in the street last night, yeah, yeah
A bunch of space junk
Fell in the street last night, yeah, yeah

But no one saw I was the only one there, yeah, yeah
Sometimes I feel so alone, yeah, yeah
Yeah, yeah, yeah
Hey, hey, hey

Baby, sometimes I feel the whole world
Is shutting me down, down, down
Because I want to, baby, because I want to, yeah

You know I, I get the funny little feeling

You don't want me around, around

Hey, hey, hey

Hey, hey, hey

Hey, hey, hey
