At every spring there's flowers
That are blooming at the top of the hill
I never ever pick them
But if you ask me then I probably will

Oh my, this itself is like
I've been here before
And just as I slip beneath the waves
I see the distant shore

Tranquilized and mesmerized
And drifting through the ebb and flow

You and I are not from the same town
But we are still best friends
And if you ask me nicely
I just might come back, come back here again

I believe that what you see
Is different from what you know
(From what you know)
Oh, come along sing a song
I'll let you in free to the show
(Free to the show)

Drink a lot and say you're not too drunk
To have one for the road
(One for the road)
Tranquilized and mesmerized
Drifting through the ebb and flow
Yeah, yeah, the ebb and flow
Yeah, yeah, ebb and flow

Take everything, take all of it
Just take me for what I am
I'm the brother of the mother
Of the father of the son of Sam

I believe that what you see
Is different from what you know
(From what you know)
Come along and sing a song

I'll let you in free to the show
(Free to the show)

Drink a lot and say you're not too drunk
To have one for the road
(One for the road)
Tranquilized and mesmerized
Drifting through the ebb and flow

Yeah, yeah, the ebb and flow
Yeah, yeah, the ebb and flow
Yeah, yeah, the ebb and flow
Yeah, yeah, ebb and flow

The ebb and flow
The ebb and flow
The ebb and flow
The ebb and flow
The ebb and flow
