Hey babe, hey baby, hey
I can see that you want to leave me
That you want to leave and get yourself free
Oh, hey babe, I can see
That you want to leave and get yourself free, yeah

Sha la la la, sha la la la
Sha la la la, sha la la la
Sha la la la, sha la la la, oh

Let me tell you about the loose talk, ticking time bomb
Needs a reaction to get my opinion
'Bout living in this town with its distractions
Got you spinning around and around and around and
around

I'm gonna pay for everything
I'm gonna pay for everything that you need
To get out of this town
To get out of this town and back on your feet
I'm gonna pay for everything that you need
To get out of this town and back on your feet, yeah

Sha la la la, sha la la la
Sha la la la, sha la la la
Sha la la la, sha la la la, oh

Let me tell you about the loose talk, ticking time bomb
Needs a reaction to get my opinion
'Bout living in this town with its distractions
Got you spinning around and around and around and
around

1, 2, 3, 4

Sha la la la, sha la la la
Sha la la la, sha la la la
Sha la la la, sha la la la, oh

Let me tell you about the loose talk, ticking time bomb
Needs a reaction to get my opinion
'Bout living in this town with its distractions

Got you spinning around and around, baby

Tell you about our loose talk, ticking time bomb
Needs a reaction to get my opinion
'Bout living in this town with its distractions
Got you spinning around and around, baby

Talking about the loose talk, ticking time bomb, baby,
yeah
Loose talk, ticking time bomb, baby, yeah
Loose talk, ticking time bomb, baby, yeah
Loose talk, ticking time bomb, baby
Baby, baby, baby, baby, yeah
