The itsy-bitsy spider went up the waterspout  
Down came the rain and washed the spider out  
Up came the sun and dried up all the rain  
And the itsybitsy spider went up the spout again.

Submitter's comments:Â

I am a 2 year old teacher in a multinational classroom. In our class of 19 there are 9 languages fluently spoken. As an end of the year gift to the students and their families we would like to give them a book of songs we sing daily. Their favorite song is The Itsy-Bitsy Spider. It would be awesome if we could have this song translated into each child's specific language.

Thank you so much for all your help
