And another thing  
I've been wondering lately  
Oh, baby,  
Tell me where have you been?  
Now the stage is set  
Where's my Juliet, baby?  
Is it maybe  
My Midsummer Night's Dream?  
What's my scene?

Like a talent scout  
I'm always checking out new blood  
Oh, I'd do good  
If you tell me your game.  
Playing Solitaire  
Doesn't get me where you would  
And, honey, you could  
Play by any rules that you care to name.  
What's my scene? (I gotta know)

They say, yeah, they say

Making love, you can make it pay.  
They say, yeah, they say,  
But we know there's a better way  
Any day.

And another thing  
I've been wondering lately  
Am I crazy  
To believe in ideals?  
I'm a betting man  
But it's getting damn lonely.  
Oh, honey, it only  
I could be sure what I feel.  
What's my scene? (I'm dying to know)  
I'll never know.  
Well, I concede  
I've been caught in someone else's scene (but that's  
not me).  
Where, oh where, oh where can my scene be?

Please answer - me  
What's my ..?
