Zig zag shadows on the floor  
From the window to the door  
Never felt like this before  
Zig zag connecting me to you  
After all that we've been through  
If it was love I never knew

But oh how I needed you tonight  
And no I ain't looking for your sympathy  
I just can't take living like some refuge  
Oh oh oh deliver me

Zig zag look upon my face  
To another time another place  
Another world in any case  
Zig zag painting on the wall  
Andy Worehall I recall  
You and me and that was all

And oh how I needed you tonight  
And no I ain't looking for your sympathy  
I just can't take living like some refuge,  
Oh oh oh deliver me

Oh oh oh deliver me  
Oh oh oh deliver me  
Oh oh oh deliver me  
Oh oh oh deliver me

Zig zag patterns of our days  
Like a straight line through a maze  
Love it comes but never stays  
Zig zag deliver me to you  
After all that we've been through  
I didn't know how much I knew

And oh how I needed you tonight  
And no I ain't looking for your sympathy  
I just can't take living like some refuge,  
Oh oh oh deliver me

Oh oh oh deliver me  
Oh oh oh deliver me  
Oh oh oh deliver me  
Oh oh oh deliver me

I just can't take living like some refuge,  
Oh oh oh deliver me, deliver me
