"Goodbye Girl"

All your life you've waited for love to come and stay
And now that I have found you
You must not slip away
I know it's hard believing, the words you've heard
before
But darling, you must trust them please
Trust them just once more

Cause baby goodbye doesn't mean forever
Let me tell you goodbye doesn't mean
We'll never be together again

If you wake up and I'm not there
I won't be long away
Cause the things you do my goodbye girl
Will bring me back to you

I know you've been taken, afraid to hurt again
You fight the love you feel for me
Instead of giving me
But I can wait forever for helping you to see
That I was meant for you
And you were meant for me

Remember goodbye doesn't mean forever
Let me tell you goodbye doesn't mean
We'll never be together again

Though we may be so far apart
You'll still have my heart
So forget your past, my goodbye girl
Now you're home at last
