Aristt: Hooters, The  
Album: Nervous Night  
Track: Hanging On A Heartbeat  
(Eric Bazilian; Glenn Goss; Jeff Ziv; Rob Hyman)

Hanging on a heartbeat  
Hanging on a heartbeat  
Hanging on a heartbeat  
You know you can't waste time while you're hanging on  
a heartbeat

You change your mind like the weather  
You promise sunshine but it looks like rain  
A simple "no" would be better  
But you just keep me hanging on again

Hanging on a heartbeat (This aint' no quiz game you  
know)  
Hanging on a heartbeat (C'mon girl you're movin' way  
too slow)  
Hanging on a heartbeat, its a hot seat  
You better give it up and let it go  
'Cause life's too short to be hanging on a heartbeat

I lay my cards on the table  
But you've got aces hidden up your sleeve  
I'm ready, willing, and able  
But I'm a joker when it's time to leave

How many nights have I wasted  
How many dreams have I lost in vain  
Oh, but I like the little I've tasted  
Don't leave me (hanging on a heartbeat...)

Hanging on a heartbeat

My heart is lying here naked  
All that I ask is you believe in me  
We've got the power to make it  
We'll say good-night or we can let it be

Hanging on a heartbeat (Can't you see how hard I've  
tried)  
Hanging on a heartbeat (Can't you see the fire in my  
eyes)  
Hanging on a heartbeat, its a hot seat  
You better give it up and leave it behind  
'Cause you can't waste time while you're hanging on a  
heartbeat
