Album: Nervous Night
Track: Nervous Night
(Eric Bazilian; Glenn Goss; Jeff Ziv; Rob Hyman)

Nervous night, time on my hands
Private invasion of the promised land
Two on the run, that's you and me
Maybe we can make it through this emergency

Oh, nervous night
African queen, we said so many things we didn't mean
Maybe another day, maybe it'd be alright
Oh, nervous night

Right outside, shiny and clean
A million vegetables I must be dreaming on my
Window ledge, can I crawl through
Look out, look out below baby, I'm coming for you

Oh, nervous night
African queen, we said so many things we didn't mean
Maybe another day, maybe it'd be alright
Oh, nervous night

Oh, nervous night
Nervous night

I try to speak, my senses fail
But you're just laughing while the sirens wail
All around the world in the Globe Hotel
If Isabella has her way it's gonna be a nervous day as
well

Oh, nervous night
African queen, we said so many things we didn't mean
Maybe another day, maybe it'd be alright
Oh, nervous night

Oh, nervous night
African queen, we said so many things we didn't mean

Maybe another day, maybe it'd be alright
Oh, nervous night

Oh, nervous night
Oh, nervous night
(repeat variation and fade)
