Sometimes you seem so happy, so happy to me
But I know behind your smile is a face I cannot see.
When you're feeling all alone and no one seems to
care
You crie for all the things you've lost and wonder why
you're here.

Can't run away from your fear of tomorrow.
Can't turn your back on all your sorrow.
Can't run away from your fear of tomorrow.
Don't turn your back on all your sorrow.

When the fear and anger hits you don't close the door.
The voices that you hear inside you calling more and
more.
You know that there is a reason, a reason why you're
here.
So stand up. No, it won't last long. Those voices speak
up clear.

Can't run away from your fear of tomorrow.
Can't turn your back on all your sorrow.
Can't run away from your fear of tomorrow.
Don't turn your back on all your sorrow.

Don't run. Don't hide. No bad, you're alive.
Don't run. Don't hide. No bad, you're alive.

Can't run away from your fear of tomorrow.
Can't turn you back on all your sorrow.
Can't run away from your fear of tomorrow.
Don't turn your back on all your sorrow.
Can't run away from your fear of tomorrow.
Don't turn your back on all your sorrow.
