

## Aloha From Hell "Hello, Hello"

Visit "[Hello, Hello](#)" on MotoLyrics.com

We were best friends, we were two of a kind  
But Iâ€™m sayin' goodbye, this is the end  
You open your mouth, girl you wanna be cool  
Youâ€™re such a drama queen, think youâ€™re a superstar

You lied about me, when thereâ€™s nothing to say  
A friend who talks shit  
Is a friend you hope will just go away  
Youâ€™re so fly, go ahead and just lie  
But I donâ€™t need it in my life

I trusted you once and you busted me twice  
Now Iâ€™m gonna take my own advice  
â€™Cause Iâ€™m so done what happened to you?  
Shut the fuck up, so you can hear what Iâ€™m sayinâ€™

Hello, hello - Yeah Iâ€™m talkin' to you  
Hello, hello - Iâ€™m over you  
Hello, hello - Yeah â€™miss nose in the airâ€™  
I tried to help but you donâ€™t care  
Hello, hello - Yeah Iâ€™m talkin' to you  
Hello, hello - Go play the fool  
Hello, hello . Sayonara baby  
You are such a drama lady

You light up a smoke, who you tryin' to be now  
The secret is out, youâ€™ll do anything  
The party last night, lookin' like that  
Staying up all night, you must be crazy  
â€™Cause you hit on my guy  
Like heâ€™s easy to take, just another mistake  
Keep on tellin' me he wonâ€™t go away  
It wonâ€™t last, Iâ€™ll be kicking your ass  
Someoneâ€™s burnin' out real fast

I trusted you once and you busted me twice  
Now Iâ€™m gonna take my own advice  
â€™Cause Iâ€™m so done what happened to you?  
Shut the fuck up, so you can hear what Iâ€™m sayinâ€™

Hello, hello - Yeah Iâ€™m talkin' to you  
Hello, hello - Iâ€™m over you  
Hello, hello - Yeah â€™miss nose in the airâ€™  
I tried to help but you donâ€™t care  
Hello, hello - Yeah Iâ€™m talkin' to you

Hello, hello - Go play the fool  
Hello, hello . Sayonara baby  
You are such a drama lady

We once were such good friends  
I don't know what happened to you  
Now you wanna be sorry  
But you ain't worth it  
Why should I believe a drama queen like you?
