I can't undo what I have done.  
I can not say what I have said.  
Can't take it back, It's alittle late... Now.  
I didn't mean to hurt you... baby...  
In any way.

Chorus:

All I wanna do is walk away,  
'Cause I don't wanna lie to you.  
Something in your eye says "Please, Don't go...".  
But I just wanna walk away...  
'Cause if I stay I'm gonna end up hurting you...  
And I don't wanna break your heart, baby...  
[End Chorus]

It doesn't matter what I'll say,  
It doesn't matter what I'll do...  
Can't make it right, even though I want, to

I'm not gonna say that were okay...  
I don't wanna lie.  
I should have told you long ago, What was going on...  
I should have told you my feelings, were not that  
strong...

Chorus:

All I wanna do is walk away,  
'Cause I don't wanna lie to you.  
Something in your eye says "Please, Don't go...".  
But I just wanna walk away...  
'Cause if I stay I'm gonna end up hurting you...  
And I don't wanna break your heart, baby...  
[End Chorus]

I lived through life, it wasn't fair...  
I'll say good-bye because I...  
Because I care...

I wish I knew what I'm suppose to do...  
I wish I could be there for you... to ease the pain.

Chorus:

All I wanna do is walk away,  
'Cause I don't wanna lie to you.  
Something in your eye says "Please, Don't go...".  
But I just wanna walk away...  
'Cause if I stay I'm gonna end up hurting you...  
And I don't wanna BREAK YOUR HEART, BABY...  
[End Chorus]

I don't wanna break your...  
Heart...
