Let's go play
Uncle knows it
He'll lead you into temptation
The funny theatre is begining
Bitten nipples
Anus cut-out
Vaginal pains
Canal of urinary tract
Chopped human bodies
Flow-out prostitute eyes
A piece of clitoris in the palm
Autopsy of the genitals
Oh, my beatiful children
Sing together with me
Tears and laugh
Applause and scream
Words are sliping out
A look of the death
Cool kiss
Slavering at the mouth
The story is finished
Goodbye ladies
