Too many slaves in this world
Die from torture and pain
Too many people do not see they're
Killing themselves, going insane

Too many people don't see the
Imprisoned human race
They believe slaves always lose
Fear keeps them in their place

Watch the damned (God bless you)
They're gonna break their chains (hey)
No, you can't stop them (God bless you)
They're coming to get you

Balls to the wall, man
Balls to the wall
Balls to the wall, man
Balls to the wall

Too many slaves in this world
Die from torture and pain
Too many people do not see they're
Killing themselves, going insane

Too many people don't see the
Imprisoned human race
They believe slaves always lose
Fear keeps them in their place

Watch the damned (God bless you)
They're gonna break their chains (hey)
No, you can't stop them (God bless you)
They're coming to get you

You got your
Balls to the wall, man
Balls to the wall
Balls to the wall, man
Balls to the, balls to the wall

(Balls to the wall)
Balls to the wall, man
(Balls to the wall)
Balls to the wall
(Balls to the wall)
Balls to the wall, man
(Balls to the wall)
Balls to the wall

(Balls to the wall)
Balls to the wall, man
(Balls to the wall)
Balls to the wall
(Balls to the wall)
Balls to the wall, man
(Balls to the wall)
Balls to the, balls to the
Balls to the, balls to the wall
(Balls to the wall)
(Balls to the wall)
