This lady got the bigness
Can I get a witness?
This lovely lady got the bigness
Can I get a 'hell yeah'?

Grab them saddle-bags and
Toss 'em over me
Let's ride on [ride, ride, ride]

This lady got the thickness
Can I get a witness?
This lovely lady got the thickness
Can I get a 'hell yeah'?

Booty Betty Thick-o-licious
Shake it like she's fearless
This lovely lady got the thickness
Can I get a 'hell yeah'?

This lady got the thickness
Can I get a witness?
This lovely lady got the thickness
Can I get a 'hell yeah'?

Grab them saddle-bags and
Toss 'em over me
This Betty Boo-ty got the thickness
Can I get a 'hell yeah'?

Can I get a witness?
Can I get a 'hell yeah'?
