Toma  
Toma  
Toma  
Toma  
Toma away  
Stole my patience, stole my pride  
Snatched the rhythm from my stride  
Kicked my certainty up the middle  
Knocked the wind out of my romantic side

Hopes and wishes set aflame  
What's your purpose here, whatcha hope to gain?  
Took my dignity, you took my dignity  
Burned a lover so earned an enemy  
Time to make it right, zhow it's gonna to be.  
Watch you pay the toll right in front of me  
Time to pay your dues, time to set you straight  
Take what you dish out, Toma away.

Hopes and wishes set aflame  
What's your purpose here, whatcha hope to gain?  
Took my dignity, you took my dignity  
Lost a lover and earned an enemy  
Time to make it right, how it's gonna to be.  
Watch you pay the toll right in front of me  
Time to pay your dues, time to set you straight  
Take what you dish out, Toma away.

Time to make it right, it's how it's gonna to be.  
Watch you pay the toll right in front of me  
Time to pay your dues, time to set you straight  
Take what you dish out, Toma away.

Time to make it right, it's how it's gonna to be.  
Watched you pay the toll right in front of me  
Time to pay your dues, time to set you straight  
Take what you dish out, Toma away.

Time to make it right, it's how it's gonna to be.  
Watch you pay the toll right in front of me  
Time to pay your dues, time to set you straight

Take what you dish out, Toma away.
