

Foreign Oren "Christmas Eve"

Visit "[Christmas Eve](#)" on MotoLyrics.com

Oh, what did you find?
Where did you go?
Was it everything that you hold?
All the things you loved the most.
Were they waiting for you there?

Was it worth telling the lies?
What died inside?
Was it worth your heart?
Was it worth your time?
And all the things you left behind.

[...] in no time,
In no time,
Come back love.
Open the blinds,
Turn on the lights in your eyes.
I believe hope is yours tonight.

What is this for,
Do you want something more?

Are your intentions to put me on the floor,
Covered in cords tying me down hopeless and torn...

[...] in no time,
In no time,
Come back love.
Open the blinds,
Turn on the lights in your eyes.
I believe hope is yours tonight.

Trying to leave,
It's Christmas Eve.
After tomorrow nothing is quite the same.
Why can't you see all that you need is to,
Open your eyes.

[...] in no time,
In no time,
Come back love...

This is the night.
