Are you ready  
Are you ready  
Are you ready  
Are you ready

Are you ready for the time of your life  
It's time to stand up and fight  
It's alright, it's alright  
Hand in hand we'll take a caravan to the motherland

One by one we gonna stand up with pride  
One that can't be denied  
Stand up  
Stand up

From the highest mountain of valley low  
We'll join together with heart of gold  
Now the children of the world can see  
This a better place for us to be  
The place in which we were born  
So neglected and torn apart

Every woman every man  
Join the caravan of love  
(stand up) stand up  
Stand up  
Everybody take a stand  
Join the caravan of love  
(stand up) stand up  
Stand up

I'm your brother  
I'm your brother don't you know  
She's my sister  
She's my sister don't you know

We'll be living in the world of peace  
In the day when everyone is free  
We'll bring the young and the old  
Want you let your love flow from your heart

Every woman every man  
Join the caravan of love  
(stand up) stand up  
Stand up  
Everybody takes a stand  
Join the caravan of love  
(stand up) stand up  
Stand up

I'm your brother  
I'm your brother don't you know  
She's my sister  
She's my sister don't you know

So are you ready (he's coming)  
Are you ready (he's coming)  
Are you ready (he's coming)  
Are you ready (he's coming on the caravan)  
You better get ready (go for it)  
You better get ready (go for it)  
You better get ready (go for it)  
You better get ready
