I didn't imagine things would get that far,
But now I realize how SPECIAL you are.
Every single day I spent with you,
Made me think that I am special for you too.

Bridge:

Now you're gone away,
I wish that you could stay with me.
I hope it's not the end I want you back again.

Chorus:

Now you're gone my baby,
Drives me crazy, thinking of you
I regret my baby,
All mistakes I didn't mean to do
Please don't tell me baby,
Someday maybe, we won't be apart,
Cause I know, I never loved someone like that.

Life is offering it's different ways,
But everywhere I go I see your pretty face.
Even though I know you're far from me
Maybe that's the way that things should be

Bridge:

Listen to my words,
Girl you know it hurts, so much.
I cannot pretend, hope you understand.

Chorus:

Now you're gone my baby,
Drives me crazy, thinking of you
I regret my baby,
All mistakes I didn't mean to do
Please don't tell me baby,
Someday maybe, we won't be apart,
Cause I know, I never loved someone like that.

Final Bridge: x2

Now you're gone away, wish that you could stay.
Listen to my words, girl you know it hurts.

Chorus:

Now you're gone my baby,
Drives me crazy, thinking of you
I regret my baby,
All mistakes I didn't mean to do
Please don't tell me baby,
Someday maybe, we won't be apart,
Cause I know, I never loved someone like that.
