Walk away just like you always do
From any situation where there's complications that's
just you
When you're afraid you've been betrayed without a
fight you walk away

When are you going to learn to look your enemies in
the eyes?
When are you going to take the turn
Because the world's passing by and you're getting left
behind

ONCE AND FOR ALL CRACK THE ICE, BREAK THE RULES
WE'RE TAKING THE WORLD BY STORM TONIGHT
TAKING THE WORLD BY STORM

GRAB THE BLADE, TAKE THE PAIN
WE'RE TAKING THE WORLD BY STORM TONIGHT
WELCOME BACK TO LIFE

Walk away just like you always do
When you're out of conversation you take the invitation
home
If you've got something to say, say it to their face
I won't always be here to guide you

When are you going to learn to stand on your own two
feet?
You're my only one concern, because you are the one
who always accepts defeat

ONCE AND FOR ALL CRACK THE ICE, BREAK THE RULES
WE'RE TAKING THE WORLD BY STORM TONIGHT
TAKING THE WORLD BY STORM

GRAB THE BLADE, TAKE THE PAIN
WE'RE TAKING THE WORLD BY STORM TONIGHT
WELCOME BACK TO LIFE

All for one and one for all
Catch yourself before you fall

All for one and one for all
