If it's good enough for you then it's good enough for
me

What took you so long

To fight through the grief of losing a friend and
gaining revenge?

This time I won't let it drop again

Oh, what is it like to be you?

How can you even look in the mirror?

One day you'll hack that you'll never get her

WHAT GOES AROUND COMES AROUND
AND WHAT GOES UP MUST COME DOWN
SO I THINK THAT I'LL CHANGE
JUST LIKE EVERYTHING

Who said it was over?

I don't think it was me

You won't last long if you chase me

Pull your neck out and do something good for me

WHAT GOES AROUND COMES AROUND
AND WHAT GOES UP MUST COME DOWN
SO I THINK THAT I'LL CHANGE
JUST LIKE EVERYTHING
