I will be different this time  
I won't save any part of you  
One dishonor I can deliver  
I ate up a diamond

I changed me for the better  
But I'm an elevator  
watch you wonder will I deliver  
I ate up a diamond

I hear you now I hear you now  
Wait on a mountainside  
I'm coming down  
I feel you now I feel around  
Laid on a Mountainside  
So loud  
I hope you know how  
I ate up a diamond

I want you moving into me  
Just listen to me whisper  
I will be different this time  
Just listen to me whisper

I hear you now I hear you now  
Wait on a Mountainside  
I'm coming down  
I feel around, I feel you now  
Laid on a mountainside  
On the ground  
I know you know now  
I ate up a diamond  
I ate up a diamond  
I ate up your diamond  
I ate up your diamond
