I just had to write
 A song about the waste
 When you come to watch
 Your loser play
 It's kind of about you
 It's kind of about me
 It's kind of about all the things I want us to
 be
 I'm wasting my song on you
 I'm wasting my best song on you

I never had your mind
 I never had your faith
 I never had the time
 To put you in your place
 I never told you off
 Never to your face
 A song can make you mine
 Now you're mine to waste

You stand around and drink
 To a song about stuff
 Stuff you never had
 Stuff that wasn't enough
 When you sing along do you notice
 What it is you say
 Did you catch a couple of words cause the words
 don't matter anyway
 I'm wasting my best song on you

I never had your mind
 I never had your faith
 I never had the time
 To put you in your place
 I never told you off
 Never to your face
 A song can make you mine
 Now you're mine to waste
 Now you're mine to

Wasting a song just so I can have you

Wasting a song just so I can hold you
Wasting a song just so I can be with
You should be so lucky that IÃfÃ...Ã Ã,Ã! wasting my
best damn song on you

I never had your mind
I never had your faith
I never had the time
To put you in your place
I never told you off
Never to your face
A song can make you mine
Now youÃfÃ...Ã Ã,Ã®e mine to waste
Now youÃfÃ...Ã Ã,Ã®e mine to waste
A song can make you mine
Now youÃfÃ...Ã Ã,Ã®e mine to waste
