One more spitting hole Warm injected invitro One more water hole Take a drink and go Mind on vertigo Nine-split thorax video Seed my water hole take a drink and go You're just like me and I'm like you You want it all And I want you to tie a noose again I watched you take her take a walk I walk her like a spider I take you watched her take a walk I walk her like a spider To my spitting hole Get my taste and then I go I watched you take her take a walk I walk her like a spider I take you watched her take a walk I walked her like a spider Face my spitting hole Mind on vertigo Seed my water hole Take me invitro You're just like me and I'm like you You want it all And unlike you I'm tied and noosed again
