Fate has chosen me to die,
Giving me pain to survive.
I'm hated in people's eyes,
The lord wants my suicide.

Who do you think you are?
You think you are smart?
Take your butt to hell...
Nothing else, go kill yourself.
Why do you think I suck?
Show me what you got.
The pain I have felt...
Go try it and you'll kill yourself.

Only death can save you.
No...

Hate has chosen me to fight,
Break the silence day till night.
I have lost in all your lies,
What you still want in my life?

I can't believe it's my life.
I can't... survive.

Who do you think you are?
You think you are smart?
Take your butt to hell...
Nothing else, go kill yourself.
Why do you think I suck?
Show me what you got.
The pain I have felt...
Go try it and you'll kill yourself.

What the hell... is wrong with... this hell?
What the hell... is wrong with... this hell?
What the hell is wrong with this hell?
What the hell is wrong with this hell?

Wake up, this life.
Wake up, this life.
