"Bleeding In The Darkness"

Visit "[Bleeding In The Darkness](#)" on MotoLyrics.com

Living in this darkness
Bleeding to be hopeless
Darkness is here
Confirming fears

All the blood in darkness
Waiting to be darkened
Bleeds with my heart
Bleeds with my fears...

Bleeding it dark, bleeding in the darkness
Bleeding so hard, this pain tears my heart

Bleeding in the darkness
Bleeding in the darkness

Living in this darkness
Bleeding to be hopeless
Darkness is here
Confirming fears

All the blood in darkness
Waiting to be darkened
Bleeds with my heart
Bleeds with my fears...

Bleeding in the darkness
Bleeding in the darkness

Welcome the dark, waking the blood
Welcome the dark and blood
Welcome the dark, waking the blood
Welcome the dark and blood...
