"Escape For Freedom"

Let's play a game for our fates,
Break through the gate and run away.

Get away from me,
I don't want to see your face.
Get away from me,
I don't want to die in this place.
Go.

Escape from this place,
I don't want to stay.
Just want to see...
All your graves.

Wasting time for life every day...

I can see the sky,
I see birds are free to fly.
I hate this life,
Escape from life now it's the time.

Stop helping me to dig my graves.
You made my life to be lame.
All the lies and all the shame...
You made.

I made the game for our fates.
If you hate your life then come with me.
