Go! URRRA!

Can you feel the pain of death?
You're dead, but not yet.
I rule, you die, I survive.
No grave, I've died.

Yeah!
Quick, Go, Suicide. And make yourself die...
You have lost direction. This is the only decision.
Legend used to fight. Your death is all my fate.
The game, has begun... You can not bring us down.

Fill you into a grave,
Forget all of your shame.
Till I see you die,
I am still alive.

I rule your death,
I'll make bullets, through your head.
There is nothing left,
My grave's full of emptiness.

Rule the death.
Rule the death.
Rule the death.
Yeah!

Can you feel the pain of death?
You're dead, but not yet.
I rule, you die, I survive.
No grave, I've died.
Quick, Go, Suicide. And make yourself die...
You have lost direction. This is the only decision.
Legend used to fight. Your death is all my fate.
The game, has begun... You can not bring us down.

Go, go, go, go, go, go, rule the death.

Die, die, die, die, die, die, yeah!

Yeah!
