Die. Die.
See me bleed in here,
Living in this fear.
Digging deepest grave,
Spinning freaking brain.
Bleed.

Dying so high,
Biting, decays.
Drowning the lies,
Living in graves.

See me bleed in here,
Living in this fear.
Digging deepest grave,
Spinning freaking brain.
Bleed.

Dying so high,
Biting, decays.
Drowning the lies,
Living in graves.

See me freaking bleed.
See me freaking bleed.
See me freaking bleed.
See me bleed.
