Mirror Man  
Human League  
(Oakey/Callis/Burden)

The water shines  
A pebble skips across the face  
A dozen times  
Then disappears  
Not a trace left behind  
The thrower turns and walks away  
A change of mind  
Another start  
A brand new day

You know I'll change  
If change is what you require  
Your every wish  
Your every dream  
Hope, desire

Here comes the mirror man  
Says he's a people fan  
Here comes the mirror man

And if it seems  
I'm not the one you used to know  
Our little friendship  
Left behind not long ago  
Don't feel too hurt  
As distance heals the strongest pain  
Things are much better now  
And just a nagging doubt remains

You know I'll change  
If change is what you require  
Your every wish  
Your every dream  
Hope, desire
