Put your hand in a party wave
Pass around Make a shroud
pulling combs through a backwash frame
Find the copies in a carbon mount
Pass around Stroke a pocket with a print of a laughing sound
Get around town
Get around town Where the people look good
Where the music is loud
Get around town No need to stand proud
Add your voice to the sound of the crowd
The shades from a pencil peer
Pass around A fold in an eyelid
brushed with fear
The lines on a compact guide
Pass around A hat with alignment worn insde
Get around town
Get around town Where the people look good
Where the music is loud
Get around town No need to stand proud
Add your voice to the sound of the crowd
Get in line now
Get in line now Stay in time with the rhythm and rhyme
Get around town
Get around town Where the people look good
Where the music is loud
Get around town No need to stand proud
Add your voice to the sound of the crowd
Get around town
Get around town Where the people look good
Where the music is loud
Get around town No need to stand proud
Add your voice to the sound of the crowd
Get around town
Get around town Where the people look good
Where the music is loud
Get around town No need to stand proud
Add your voice to the sound of the crowd
