A sea of love, waters raging  
Pounds the shore, never  
taming  
What lies beneath the surface  
of me  
So every day, it grows stronger  
The pain and fear, each day  
grow longer  
How my heart aches to be with  
you  
Well it was a long time ago  
When your love for me you  
showed  
Gave it everything so love  
could grow old  
Turned good into bad until your  
eyes went sad  
Went your own way now your  
love for me went bad  
Now everyday I think about you  
And all the things that I'm  
gonna do  
Black and gray, so I hate to say  
You can't love and leave me  
Leave me this way  
Leave me this way  
Leave me this way  
So everyday, it grows stronger  
The pain and fear, each day grow  
longer  
The calls I make, answered no  
longer  
I'm watching everything you do  
Well it was a long time ago, but  
It's dead and gone  
Gave it everything, but it's the  
same old song  
My love for you will never fade  
So we'll both have to go by the  
gun or the blade  
Now everyday I think about you

And all the things that I'm gonna  
do  
Black and gray, so I hate to say  
You can't love and leave me  
Leave me this way  
Leave me this way  
Leave me this way
