Dirty conscience in my head  
Naked dreams that go unsaid  
You have put this fear in me  
Why won't you just let me be

Leave me on this bed of flames  
Life can never be the same  
All that's left is guilt and shame  
I'm not sorry

Trust is not a simple plea  
All I have is all of me  
You can't take what's in my heart  
Leaving pieces torn apart

Leave me on this bed of flames  
Life can never be the same  
All that's left is guilt and shame  
I'm not sorry

In the flames of truth  
The blind man can see  
The cross won't save you  
Travel with me

As I lay me down to sleep  
Wicked thoughts through my mind creep  
Fire burns me outside in  
Maybe this will take my sin

Leave me on this bed of flames  
Life can never be the same  
All that's left is guilt and shame  
I'm not sorry
