Could it be  
You're suffering  
When you see me  
Again and again

I took a drive last night  
Went by your place  
You weren't home  
You can't hide from me  
You'll get yours eventually

Could it be  
You're suffering  
When you see me  
Again and again  
I know your fears  
You'll cry your tears  
Helplessly

I know you're in there  
You can't avoid me  
No matter how you try  
If you deny me  
You'll suffer indefinitely

Could it be  
You're suffering  
When you see me  
Without you  
I won't leave  
I will remain  
You must believe

It will be  
You're suffering  
You had your opportunity  
It's clear to me  
If I can't have you  
No one can  
And no one will
