please don't say
what you mean
time is short
for you and me

in my room
i can see your tears
i'm not inside
but i feel your fear

it's harvest time
once again
dust off the moon
and let's begin

please don't say
i don't care
no one said
life would be fair

standing here
you seem so far away
i am longing
for just one more day

it's harvest time
once again
i'm here for you
so let me in

on this day
i can see
so much more
for you and me
